The Logic trailer is designed to be towed by the Yamaha 450 Grizzly ATV, providing the user a durable purpose built capability to ensure maximum strength to a lightweight frame.

The Logic Trailer is able to be towed to areas that other trailers are unable to reach, delivering food, water and ammunition where required. Its durability ensures that it can be used in multiple terrains, which further adds to versatility.

Built with high quality axle and bead lock wheel rims to give increased safety, the Logic trailer also features suspension and an overrun mechanically expanding shoe type braking system.

The Logic trailer has a painted finish to prevent rust and is fitted with a robust plywood floor and 40mm swivel towing eye. It has a maximum gross weight of 450kg which allows rapid and sizable asset transportation.
